Under the agreement for 2015
Yarwun State School will receive

$15,270*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Achieve 95% National Minimum Standard for 2015 in Year 3 and 5 Writing.
- Increase the percentage of students in the Upper Two Bands of NAPLAN from 33.3% in 2013 Year 3 reading to 50% in 2015 Year 5 reading.
- Develop Individual Curriculum Plans for students who are at risk or below National Minimum Standard.
- Improve teacher capability through focused coaching.

Our strategy will be to

- Increase teachers’ repertoire of effective strategies for teaching a variety of text and vocabulary across all learning areas through programs like STRIVE and the Frayer Model.
- All Year 5 students to undertake Project 600 (Online Reading Program) for Semester 1.
- Engage targeted students in the UniFY Creative Writing Project in Term 2.
- Implement data meetings, once a fortnight, and 5 week data cycles to track student progress and lead planning and teaching.
- Maintain small class sizes to ensure differentiated and individualised progress is made.
- Use Archer model of Explicit Instruction to frame coaching, observations and feedback to teachers.
- Use Sharratt and Fullan approach to data collection, to create individualised data collection and analysis to improve student gains.

Our school will improve student outcomes by

| Professional Development for teaching staff in areas of vocabulary, explicit instruction, writing and data collection and analysis. | $6000 |
| Purchasing of an extra Teacher to maintain explicit and individualised teaching and learning time. | $8895 |
| Reading Project 600 for year 5 students for Semester 1 | $375 |
